

Lowell Snow

www.leadingprayer.com

We welcome Lowell Snow to our pulpit today. He's author of the book, *Prayer Guide – A Manual for Leading Prayer*, and leads *Journey Into the Presence of God* prayer conferences.

Brother Snow says, "God's people want to pray, but they're tired of stuffy, meaningless public prayer. Let's get a vision of the throne room and guide folks to it for a life changing encounter with their Heavenly Father."
